

EDUCATION FOUNDATION

— YORK SUBURBAN —

2011 Annual Report

1800 Hollywood Drive • York, PA, 17403 • (717) 848-2814 ext. 251 • www.ysef.org

FROM THE YSEF PRESIDENT

Continued dedication and enthusiasm drove the York Suburban Education Foundation's 2011 endeavors.

As a result of numerous development efforts, we secured funds for innovative programs that enhanced the educational experience and fostered continued academic excellence. These efforts included the:

- **Celebration of Excellence Event**
- **Fall YSEF Campaign**
- **Tribute Cards**
- **Staff Night at the York Revolution Game**
- **New EITC partnerships**

In all, 19 grants were awarded totaling \$ 31,528.00! This amount is the largest to date. Details for the grant program are available on our website: www.ysef.org

Another exciting highlight was the establishment of a relationship with The York County Community Foundation, a philanthropic organization dedicated to building endowments for future generations. This partnership will enhance our growth through a managed endowment fund.

YSEF remains a community-driven organization that enjoys a solid base of volunteers. The commitment level of our Board of Directors is extraordinary. They serve tirelessly and continuously work to advance our mission while promoting the organization. For that I am very appreciative. Additional thanks go to the school district for providing meeting space and to Dr. Kate Orban, Superintendent, who has graciously supported our efforts since inception.

Despite challenging financial times, the community continues to sponsor our efforts at remarkable levels. This strong support has allowed us to continue to substantially contribute to the success of our district.

YSEF is most grateful for your generosity and support.

Thank you so very much.

Cathy Shaffer

President

OUR MISSION

The York Suburban Education Foundation is an independent, non-profit organization providing funding for innovative programs that enhance the educational experience and foster continued academic excellence for the district students.

GUYER FUND

The Richard Guyer Fund was established within YSEF in recognition of Coach Guyer's retirement as head swim coach at York Suburban as well as in honor of the assistant coaches who have stood by his side over the past 41 years. Collectively, they have established a swimming legacy while more importantly, consistently supporting academic excellence.

The "I Think I Can" motto of the swim team, based on the book, *The Little Engine That Could*, is part of the legacy established by Richard Guyer. Therefore, monies in the fund will be directed toward fulfilling this motto; promoting team building and enhancing the psychological mind set of York Suburban students to achieve excellence in all that they do.
