FROM THE YSEF PRESIDENT

2014 was a banner year for the York Suburban Education Foundation!

A first time event, "Are You Smarter Than a Fifth Grader?," was held at the Middle School in January. To no one's surprise, the fifth grade team edged out community, staff, alumni and National Honor Society teams. Many enthusiastic retired and current staff, community members, students, and mascots volunteered their time and participated in different capacities. A fun time was had by all!

At the "Are You Smarter Than A 5th Grader?" event, the 5th Grade team competed against the Community Team and won!

The new venue for the annual Celebration of Excellence proved to be a huge success through the planning efforts of many devoted volunteers. The York Historical Society Museum allowed for a record attendance and fund raising effort, over 200 and \$45,000 respectively, allowing YSEF to award over \$ 19,000.00. This brings the lifetime total of grants awarded to support academic excellence to \$133,390.00. This year's event will be held at the same location on Saturday, April 18, so mark your calendar!

Looking ahead to 2015 –

- New faces in Foundation leadership positions
- Continued growth in the endowment accounts
- Tribute Cards
- Increased alum engagement
- A new initiative to involve current students

This is my final letter as YSEF president. After founding and leading the organization for over six years, it is time to pass the gavel. It has been an honor and privilege to serve the York Suburban community in this capacity. One person, however, could not have completed this task alone. The past success of YSEF is due to, and its future depends upon, the continuing dedication of a tireless Board of Directors and active volunteers, exceptional school district support, and the community's generosity. I have every confidence the York Suburban Education Foundation will continue to grow and strengthen in our caring community.

With appreciation and gratitude,

Cathy Shaffer

President

Are You Smarter Than A 5th Grader?

In January, 2014, over 250 people and four teams (Teachers, Community Leaders, Alumni and High School National Honor Society) found out that East York and Indian Rock 5th grade students were indeed smarter. YSEF would like to thank all those that participated in the 2014 event.

Special thanks go to everyone who participated on a team and to the following for donating their time and efforts: The East York Jazz Band and Middle School Jazz Band (directed by Mr. Biddle and assisted by Mrs. Wolschleger and Jon Abel), the York Suburban Mascots: Ready Teddy, Yorkie Bear, Spike the Dragon, Rocky the Roadrunner, MS Trojan Man Thomas Hoover and Trojan Woman Brianna Banks, the YS Design Studio for the program artwork, Yorkshire, Valley View, Indian Rock, and East York PTO bakers, HS FACS bakers, Whitson's Culinary Group, and technical support by Bill Boll, Gary Cornell, Jamie Evans, Linda Knopp and Michael Jackson. Thank you also to the event committee for all their hard work: Emily Bates, Laurie Cornell, Bob Hildebrand, Sara Hunt, Cathy Shaffer, Amy Taylor and Debbie Young.

The evening was a fun event that highlighted YSEF grants to the district which have totaled more than \$100,000 since 2008!
